

Glory Hole 4 Summary

Glory Hole 4 Started on Friday, April 15, 2011 with 15 Cowboys in attendance for Side Matches. Long Range events included; Pistol, Pistol Caliber Repeating Rifle, Rifle Caliber Repeater, and Single Shot Rifle. Following the Long Range Shooting was a .22 Pistol and Rifle Stage, and a Pocket Pistol Stage.

Saturday, a beautiful bright sunny day, the main match commenced with a safety meeting at 9:30 a.m. where match director “Kidd” informed the gathering that the club’s Territorial Governor, “California Guy” was in critical condition in Intensive Care. To make it possible for Guy to shoot the match in spirit, different Cowboys would shoot each of the 9 stages in his stead. Numerous club members and friends volunteered to shoot for Guy. 28 Cowboys participated in the Main Match.

After the first 4 Stages were completed, Shooters participated in a drawing for “Door Prizes” followed by lunch cooked on site by “Sandwash”. Then the final 2 Stages of the day were shot.

Sunday, another beautiful day in the mountains, began with the final 3 Stages. Again an excellent lunch was enjoyed by all followed by the Awards Ceremony. Thanks to the efforts of the stand-in Cowboys, “California Guy” received the “First Place Elder Statesman” Award and finished in 13th place overall. Sadly, Guy passed away Sunday Morning. He will be missed by all.
